Network Team

Join a network committed to care.

When you partner with us, you're part of a network committed to outcomes.

We have built a strong foundation across Georgia

Statewide Network with 268 + organizations with 5400+ engaged users and 440+ programs

A new model of care that is driven by the community

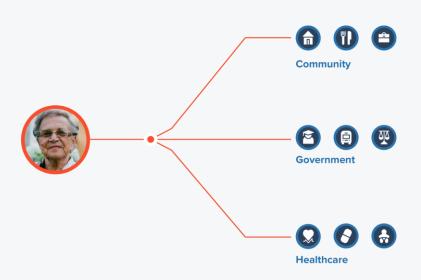

Health = Health Care + Social Care

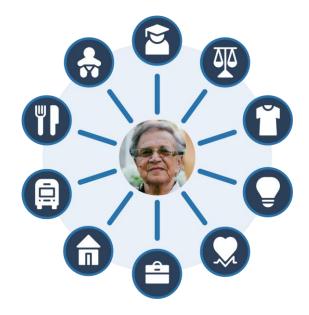

BEFORE

Health and social care organizations **lose visibility** of client outcomes after discharge.

AFTER

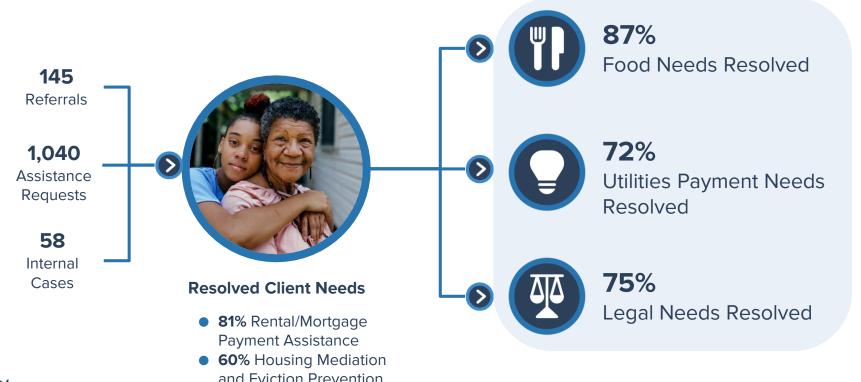

Organizations are equipped with the tools they need to **collaborate** across sectors.

Centralized Coordination and Drive Outcomes

Real world example: Kentucky Housing Agency

It's more than referrals. It's coordination.

Measurable Impact

We are here to help expand your mission

Save Time

Remove the added steps of a resource directory and manual referrals

Enhance Care

Connecting clients to services outside your four walls to track their outcomes

More Resources

Leverage data and insights to engage partners for diversified revenue streams

14 Days Faster

Partners in NC cut case closure time from 16 to two days during COVID.

78%

Needs Resolved

Partners in CT connected clients to more services to meet their needs.

89%

More Efficient

Community partner in PA demonstrated efficiency to secure more funding.

It's your story. Tell it.

Demonstrate your organization's outcomes and drive community change.

Track your organizational activity

Measure your impact through data

Inform community reinvestment decisions

Client privacy is our priority.

Consent is offered in 40+ languages and can be captured in multiple ways: digitally by text message, email, or on-screen consent, or manually through signed paper form or verbal consent, or user attestation.

We **protect** clients' most sensitive information.
Substance use and other sensitive information is never shared beyond the service provider.

We keep client data **secure**. Period.

The Unite Us Platform is **HIPAA** compliant and **HITRUST** certified.

Together, we're changing the future.
